# USB NETWORK CABLE

HIGH AND FULL SPEED USB 2.0 NETWORK CABLE   **HIGH AND FULL SPEED USB 3.0 NETWORK CABLE**

OVERVIEW

- » Connector: Gold/Nickel/Copper plated many colors for optional.
- » Supports plug play connections for devices such as external hard drives, modems.
- » Printers, scanners, VoIP devices other USB peripherals.
- » Fully rated USB 480Mbps speed for USB 2.0
- » Supports plug & play connections for devices such as external hard drives, modems, printers, scanners.
- » VoIP devices & other USB peripherals

OVERVIEW

- » Connector: Gold/Nickel/Copper plated many colors for optional.
- » Supports plug play connections for devices such as external hard drives, modems.
- » Printers, scanners, VoIP devices other USB peripherals.
- » Fully rated USB 4,8 Gbps speed for USB 3.0
- » Supports plug & play connections for devices such as external hard drives, modems, printers, scanners.
- » VoIP devices & other USB peripherals

FEATURES

- » Conductor Material : Gold Plated
- » Type   : USB 2.0 LAN Cable
- » Certification   : USB Compliance
- » Jacket   : PVC / LSZH
- » Feature   : up to 480 Mbps
- » Feature2   : Mbps Speed for USB 2.0

FEATURES

- » Conductor Material : Gold Plated
- » Type   : USB 3.0 LAN Cable
- » Certification   : USB Compliance
- » Jacket   : PVC / LSZH
- » Feature   : up to 4,8 Gbps
- » Feature2   : Gbps Speed for USB 3.0
